We visited Skyline Queenstown just for the gondola ride, so I can't comment on the other activities. That said, the gondola experience itself was great and the views from the top are absolutely amazing. It looks like they offer many activities on site, making it a good spot for families. Even just for the views, it's worth the visit.

Hi Zaza, Thank you for sharing your experience on the gondola ride at Skyline Queenstown. We are pleased to hear you enjoyed the spectacular views from the top and appreciate your kind words regarding our range of activities for families. We hope your next visit gives you the opportunity to enjoy more of what we have to offer. Kind regards, Skyline Queenstown
